# Tumwater Volleyball

## Expectations

2019

### Academics:

All members of the Tumwater Volleyball Program will maintain all grades C- or above. If at anytime you drop below in any class, you will use practice or game time to study and get extra help in that class, until it is brought up. Use your Core/Flex time wisely and you should NEVER have an issue in ANY class. Attending classes are mandatory to be able to practice or play in a game. If you miss any class during the day, you will not be able to practice or play in a game. If you had a dr/dentist apt, you can get cleared from Mrs. Graham in the office, if you bring a note from your apt.

### Code:

All members of the Tumwater Volleyball Program have signed and agreed to The Code, when you cleared to play a sport. Drugs, alcohol and tobacco are against the code, the use of them AND/OR being in an area that they are being used. Because our program has been affected by this multiple times, we are enforcing a rule beyond the code. If you break the code for this violation, you will not be allowed to return back to the team for the season, even if it is your first offense. We take this very seriously. Make great choices.

### Social Media:

By becoming a member of this program, you now have a responsibility to represent Tumwater Volleyball in a positive manner. All social media should be thought through before posting, always asking yourself... will this represent myself, my family and our program in a classy, positive light. No social media of a player during season will have profanity, anything promoting drugs, alcohol, tobacco or sex, demean or ridicule another person, talk negatively about your team, coach or program.

### Practice:

You are required to attend every practice. If you are sick from school, you must message your coach and let them know that you will not be attending practice. If you have previous arrangements, emergency, etc - you must let your coach know. If you miss practice the day before a game and get it excused, it is an automatic missed first set. If you miss practice the day before a game and not communication is made or the reason is unexcused, you will sit out the entire match.

### Games:

*Home games* - Varsity players **will** watch and support C/JV during warm-ups and their first game of the match. The expectation is that C and JV stay and support the varsity during at least the first set of their match as well.

*Away games* - All players are required to ride the bus with the team to and from all away games. If you have a situation that you need to ride home with a parent, you must get a form filled out from the high school 24 hours in advance (Mrs Graham) and give it to a coach. Represent our program and school with class. Clean up the bleachers and bus. Be respectful.
