

VARSITY CHEER
2018-2019 Anticipated Expenses List

There are many expenses that come with cheerleading. All expenses are expected to be paid up-front, according to this payment schedule. If needed, please contact Coach Audri to discuss alternative payment plans. We understand that cheerleading is an expensive sport and don't want anybody to miss out on participating due to cost.

Expense	Cost	Due Date
Private Tumbling Clinic/6 hours	\$30	October 15, 2018
Home Stunting Clinic	\$55	November 1, 218
Spirit Game Uniforms/T-Shirts	\$15	February 1, 2019
Uniforms	\$200-\$400	Due at time of order, likely October and we will determine what the school has that we can build on to minimize expense

Please note that these are anticipated expenses, not set in stone and may change. There may be additional expenses not listed, however we will work hard to keep these costs down and anything over \$50 will be discussed in advance with a note sent home, requiring parent signatures and acknowledgement.

We will work hard to fundraise throughout the year. Our fundraising efforts will go towards additional gear that may include, but is not limited to: tumbling mats and equipment, additional cheer mats, additional clinics/camps, competition, travel, new uniforms, team bonding/building events, etc.
