Please complete the following All KingCo nomination form and return to me via email at lowellj@bsd405.org: by Tuesday February 4, 2020. Nominations will be compiled for the meeting on February 5, 2020.

Your information:

School Name: _____

Head Coach: _____

Voting: Please vote an opposing coach and team for the team sportsmanship and the coach of the year in your classification. (3A or 4A)

KingCo coach of the Year: _____ (name and school)

Team Sportsmanship award: _____ (school name)

First team KingCo Nominations: Procedure for Filling All-KingCo Teams— Coaches will send top times for the season in TM and I will compile a top times list utilizing NISCA power points to each swimmer/diver and their events. We will quickly go through and assign top finishers in each event for both 4A and 2A/3A.

1. The top individual submitted by coaches on each individual event list from the submitted TM databases are the first nine athletes on the first team.
 - a. If an athlete tops more than one list – the athletes' HIGHEST NISCA score in an individual event determines which list they finish on top...
 - i. Example: Swimmer A finishes at the top of every individual event during the dual meet season. Out of the eight individual events, the NISCA score in the 200 free was the HIGHEST score, meaning Swimmer A is the 200 free champion.....and how Swimmer A is included in the first team. The second athlete in the remaining list would then be considered.
2. The second 9 would then be the next athlete on each individual list from the nominated athletes
 - a. If an athlete were already on the All-KingCo team, the next athlete would be considered for addition until the nine spots are filled.
3. That will give a total of 16 swimmers and 2 divers.
 - a. The remaining diver should be the third highest NISCA total. WITH DIVERS, THEIR 6 DIVE AND 11 DIVE SCORES SHOULD BE CONSIDERED AND THE HIGHEST POWERPOINT SCORE FOR THAT ATHLETE ON EITHER LIST SHOULD BE UTILIZED.
 - b. The remaining two swimmers should be the next highest NISCA score on ANY INDIVIDUAL EVENT LIST.
4. The nine athletes for inclusion on the Honorable Mention list should be decided through a discussion at the 'seeding' meeting prior to the KingCo Championships. Coaches should consider the following when filling the spots:
 - a. Inclusion of athletes from a team without representation on the 1st or 2nd team
 - i. This can be due to a lack of submitted names by the coach
 - ii. This can be due to a lack of attendance at the 'seeding' meeting
 - iii. This can be due to athletes not having high enough NISCA totals to make the 1st or 2nd team
 - b. Remaining nominees to be considered as well by performance during the dual meet season measured by NISCA totals.

The TM Export file should be created using the following instructions:

1. Use TM to export all individual swims from THIS SEASON (To be defined as the first day teams are eligible to host a meet through the final scheduled league dual meet. This season that would be 11/30/19 through 1/30/20).
 - a. **Note: This is an export.**
 - b. **Please be sure to EXPORT ALL ATHLETES**
2. You will need to do one export, make sure you DO NOT check export relays.
3. Go to **File/Export/Best Times**
 - a. Export to folder on your hard drive
 - b. Check the use since date and make **that 11/30/19**. Specify course as yards
 - c. Select your team and uncheck: include swimmer with no results
 - d. Then hit ok
 - e. The file name created should be **"yourteam"- best001.zip**
