Required: All players are required to have and wear either the visor or cap and the socks as part of the uniform.

Optional: The wearing of a mock turtleneck and/or sliding shorts is optional (though recommended). If a mock turtleneck is worn, it will be visible and, therefore, is considered part of the uniform and must be black. Sliding shorts are hidden under the uniform pants, so they may be any color. Sweatshirts and sweatpants are not considered to be part of the uniform and are entirely optional.

General: All prices include sales tax. Prices of sweatshirts are good for sizes S through XL. There will be an upcharge of \$2 for size XXL. In the event that availability becomes a problem, we reserve the right to vary from the manufacturers and models shown above.
